Work Experience

The Track Family Fun Parks

Sales Associate & Photographer
Branson, MO (2014 -2022)

- Recommended best ticketed packages
- Photographed and sold souvenir photos and merchandise
- Trained new employees on equipment and sales strategies

Project Experience

TV Phone Stand and Speaker

Designer & Fabricator - 2023

- Created product concept through research and sketching
- 3D modeled, animated, and edited proof-of-concept video
- Adapted design to accommodate speaker system
- Realized product by means of 3D printing, post-processing, soldering, and assembly

SCADpro with Mayo Clinic

Assistant Project Manager & Presenter - 2023

- Engaged in collaborative design studio that connected students with industry-leading companies
- Researched medical requirements and hospitality design trends to create design solutions for existing pain points
- Managed client interactions, interviews, presentation storyboarding, and presentation delivery
- Coordinated cross-team communication for 17-member team
- Produced and edited video content for website landing page

Trinket Town Horror Spectacle

Designer & Artist - 2023

- Digitally rendered three character designs on isometric grid
- Created themed experience entrance by designing setting that integrates functional spaces
- Produced concept art utilizing thumbnails, outlining, detailing, color application, shading, and lighting enhancements

SCAD Museum of Art

Researcher & Designer - 2023

- Conducted research through interviews, online resources, and observation to identify pain points and create customer journey map and service blueprint
- Planned and executed design workshop with museum employees and design team
- Tested design solutions by virtually interacting with 3D-modeled museum replica
- Formatted research, workshop results, and prototype results into digital infographic

Wanderlust

Designer & Artist - 2023

- Analyzed script of "Peer Gynt" to design immersive hotel experience that retells narrative
- Gathered inspiration from Norwegian design, fashion designers, and other online sources
- Created concept art for hotel spaces and actor costume utilizing 3D white models, digital collage, and digital rendering
